Prayer for the Little Ones

Loving God,
How you rejoiced over Your creation!
You cried “Good. Good. This is very good.”

Teach us to love and treasure what You made:

- the tiny bird
- the fragile flower
- the small stream running down the hill.

Teach us also to love the children! Those who need:

- a kind word,
- a good meal,
- a chance to learn and grow,
- the right medicine,
- a protecting hand and
- time to play.

We confess that too often we run over
the small things, the little ones.

We fail to pay attention;
we even try to control or
use them in harmful ways.

Help us learn that as we love and protect
the small ones, the vulnerable ones,
the ones You made,

We also love ourselves,
We also love You.

Amen.
