

**PRAY  
AND ACT  
FOR  
PEACE**

## A Prayer for Peace in Iraq

Great Spirit,  
As I awaken today,  
Awaken my connection to you.

To my restlessness, grant patience,  
To my ignorance, bring enlightenment,  
In my elitism, inspire humility,

As I struggle with racism, sexism and greed,  
Align me.

If I forget the children,  
Teach me through one of them.

As fear attempts to guide my thoughts and actions,  
Grant me the courage to open the door to love.

As I pass by and through your creation,  
Remind me to listen.

As I carry out my work,  
Show me my value apart from what I do.

As I greet my neighbors,  
Allow our spirits to find unity in this daily newness.

When I stop to rest,  
Incite hope for the weary ones in this world.

Change me.  
This is my prayer for the end of war.

Amen.
