Prayer for Sudan

Dear Lord Jesus,

I am praying for the children in Sudan because of the war. I am praying that the children are kept safe and that the war will come to an end soon.

Lord, please hold the children in your hands and bless their souls. Let this be an opportunity for more people being able to enter the kingdom of your glory.

Please help the children be in a safe shelter, and care for the infants. Send your healing power over the children who are injured.

Protect those who are fighting in the war. Please provide peace, justice and survival to Sudan. Thank you for your love.

In Jesus' name,

Amen.

Prayer by David Friebe-Makinto, age 10.
