

PRAY AND ACT FOR PEACE

Prayer for Peace

In you, our Lord Jesus Christ,
We found the North and South
The East and West
Reunited in peace.

Lord, you love diversity and enjoy it
Because you the Creator made it in that way.
You imaged multicolor and multilingual races
The human being with many faces
To praise you Lord, with all those tongues.

Oh Lord you love all races!
Help us to accept the blessing
To have a neighbor who is different
And share with him/her the precious gift of your salvation.

Help us to have an open heart
And let come into our soul
The precious gift of all humanity
Because we are and then... I am

Indeed!

Amen
