

PRAY AND ACT FOR PEACE

A Prayer for Peace

(based on John 12:20-26)

Jesus,

Like the Greeks who came to Philip, we want to see you.

But it is hard to see you when the clouds of financial calamity surround us.

It is hard to see you when our armies are seeking to keep our borders safe.

It is hard to see you when hunger and homelessness are present in our own land.

And you say to us . . .

Those who love their life, will lose it. Those who want to serve you, must follow you.

Help us to follow you in this congregation, in this community, in our nation and in our world.

We want to see you, Jesus. Help us to follow you.

Amen.
