

**PRAY
AND ACT
FOR
PEACE**

God,

In this time of violence and hatred I remember that time
has been created by human beings.

I long for fighting to stop-NOW;

For the poor to have food, homes, and jobs-NOW;

For the injustices of the world to be righted-NOW;

But that is not what you told us about yourself.

You said, "Lo, I am with you always."

Thank you God, that we are not alone in this darkness.

AMEN
