AND ACT  
FOR  
PEACE**

**Prayer for Peace**

Oh God,

We fall before you this day,

In the green and the desert  
In the mansion and the refugee camp  
In the hovels of pain and abuse  
In the dark of terror.

We fall before you this day,

In our churches and in our streets  
In comfortable homes  
In no homes at all  
In war and devastation.

We thank you this day,

For your overflowing mercy  
For your abundant love and blessings  
That you do not sleep  
And that you are always with us.

We cry out to you this day,

For all who suffer  
For all who cause suffering  
For the rulers of all nations  
For all of us to know your love.

We cry out to you this day,

For your healing in our brokenness  
For your soothing for pain  
For your peace which passes understanding  
To be given to all.

In the name of Jesus, who gives to all.

Amen.
