

PRAY AND ACT FOR PEACE

May We Be

Great God,
You created all things and formed humanity from the dust of the earth.
May we be attentive of your careful artistry, appreciating what surrounds us
May we be gentle, recognizing that all beings come from your hands.

You called us – individuals and a people to be marked as yours.
May we be reminded that you are faithful, even when it seems we are
wandering in the desert.
May we be true to the royal priesthood for which you have claimed us.

You came to us in the person of Jesus, a child born in a small town.
May we be aware of the least among us, knowing that we can see your face in
each person.
May we be bearers of Good News to those around us

You taught us, calling us to love above all else.
May we be lovers – of the world, of creation, of others and most of all, of you.
May we be listening for your words of guidance and instruction.

You breathed on us, giving the gift of the Holy Spirit
May we be looking for signs of your presence among us.
May we be filled by the life and love that only comes through you.

You sacrificed for us and for the world.
May we be mindful of what it takes to truly demonstrate love to the world.
May we be willing to sacrifice for the sake of the kingdom.

Amen.
