

Student Aid Fund for Nonregistrants (SAFNR)

The goal of the Student Aid Fund for Nonregistrants (SAFNR) is to replace the same amount of federal grants and loans that young men are denied because they have decided not to register. SAFNR is available to any nonregistrant attending a Mennonite college or Mennonite graduate institution and to any nonregistrant attending a congregation of Mennonite Church USA and enrolled in undergraduate or graduate studies in other-than-Mennonite institutions.

Send contributions, inquiries and prayers to:
